It's hard to believe that it has been 4 months since installation and 2 months since Supreme Session. There were 10 members, including 9 delegates who traveled to Indianapolis for the 100th Supreme Session. It was a busy fun filled week. Copies of the changes made during this Session will be included in this newsletter. The amendment to allow a personal friend of a Daughter of the Nile to become a member was defeated, as was the amendment to reduce the number of times each year that the Junior Past Queen gives the Secret Work.

On July 17 we held a ceremonial of Initiation and brought in two new energetic candidates, Pamela
Gutierrez and Leslie-Ann Walker-Indyke.
We are very happy to add them to our roster.
Unfortunately we have had two members
pass away since April, but we are holding even

So far we have two more new candidates ready to come in during Supreme Queen Cathy Carol Rose visit to our temple. Hopefully we can get more, but we will hold ceremonials as often as needed whenever we get anyone who is interested in our organization. I will do my best to make this a positive year. We cannot continue on a downward spiral if we are going to make it to our 100th Anniversary in 2026. Let's get working together to make Alabet Temple great again. I ask all members to try to make it to Supreme Queens visit on Oct 25th, and am asking all units to perform. Seeing the performances of our units shows our new candidates that besides working hard to raise money for the Children, we also can have fun. The Dancers are in need of new members who can perform. Anyone interested in joining, please contact Jan Bloom.

have been a very beautiful unit.

I really do not want to see that unit dissolve. They

Officers, you did a beautiful job at our last Ceremonial.

Continue to work on your memory work.

Let's make everyone proud.

I want to thank everyone for your thoughts, prayers and understanding for me and my husband Rod since he has been ill. It means a lot to me.

Queen Sharon

The article for this newsletter was difficult for me. It was difficult in knowing what just To say. I can tell you that Supreme was awesome. The magnitude of everyone there from around the United States was unbelievable. The costumes for the presentations were awesome. Also, how age made no difference in being able to keep up and perform with the best of them. The group who wore lite candles on their head as they performed was amazing. The most amazing group was our own patrol and their performance. It was awesome to see the ladies perform in such a big arena. They also stepped up to do other duties as they were asked. Supreme Badoura was chosen. She is Dale Obernolte from California. We are called the crown jewels: our colors are red, white, blue denim and diamonds for our Supreme in Reno Nevada. Beyond Supreme my only notes is to remind everyone to stay involved and think of who you can invite to be a member.

Princess Badoura Sava

Ladies,

As the For the Love of the Children event is just around the corner, I hope all of you are excited for the upcoming changes to what used to be called the Orthopedic Card Party. Over the years, the interest in playing cards at this event has lessened each year, so in order to continue to raise funds for the hospitals, we will be embracing some change and offering other options at this year's event! This being my second time in charge of this activity, I have had the opportunity to learn from challenges and change to make this event not only profitable, but enjoyable. I know that there is always hesitation with change, however, as the world around us changes, we must evolve with it, in order to survive. We will maintain our traditions for this event, but we will be offering a few more options to embrace the change in the ever-changing world around us. I hope that everyone can join us, and experience the exciting new ideas for the For the Love of the Children. More information will be coming shortly! While I know this is tough to imagine, embracing some change for an event we've done for so long. Here is a parting thought, if nothing ever were to change, we would have no butterflies. So ladies, lets make this event our first beautiful butterfly, and change to help get the funds our foundation and the children at the hospital need! After all ladies, all we need is a little faith, trust and pixie dust!
